Mho

Look what's popping now: The next generation of flexible desktop power and data solutions for executive and institutional work station applications. Retractable and durably constructed, Mho is highly functional with a fluid, one touch door that remains open during use.

Standard Features:

- Fluid one touch accessibility.
- Includes a Voice/Data Adapter Kit (BE01421) to accept couplers & jacks when required.
- Fits in tops 3/4" to 1-3/4" thick.
- UL Listed
- Available with Byrne spill-proof simplexes.
- Available *Cradle to Cradle Certified™ at the Silver Level*. Call for more information.

Have you ever seen a fish like this?

We might not be able to customize your goldfish, but you bet we can customize one of our products just for you!

Don't see what you want? Let us **customize something** for you!

Customize a Product

Problem solving? We think of it as puzzle solving.

We love a good challenge. The opportunity to stretch our brains a bit. In fact, innovative thinking is kind of a Byrne tradition. So, consider this an invitation to throw your company's toughest technology issues our way. We're ready!
